Common Core State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects

Common Core State Standards for English Language Arts

For the past decade, social studies, history, government, geography, and civics have been relatively neglected subjects in our school systems. Because they are not required to be tested through the No Child Left Behind legislation, these subjects have appeared less

The Academic Language of History and Social Studies

The evolutionary emergence of language in the human species has been a subject of speculation for several centuries. The topic is difficult to study because of the lack of direct evidence. Consequently, scholars wishing to study the origins of language must draw inferences from other kinds of evidence such as the fossil record, archaeological evidence, contemporary language diversity, studies ...

"Any given method is only as effective as its implementation." Grammar-Translation Method (1890s-1930s): Around the turn-of-the-century, language students often translated cumbersome volumes from Classical Greek or Latin into English via this approach. It consisted mainly of exhaustive use of dictionaries, explanations of grammatical rules (in English), some sample sentences, and exercise ...

The Metamorphosis - World History International: World

SMS language, textspeak or texting language is the abbreviated language and slang commonly used with mobile phone text messaging, or other Internet-based communication such as email and instant messaging. Three features of early mobile phone messaging encouraged users to use abbreviations: Text entry was difficult, requiring multiple key presses on a small keypad to generate each letter;
