

### **liberty equality power a pdf**

would gain power over Western lands? Whose liberty would be respected? What efforts would be made to achieve equality—or deny equality—to all of these peoples? This chapter explores the transformation of the West and the South during the late 19th century, part of a larger process of industrialization in this period. The Homestead Act

one that valued power more than liberty. Roosevelt brushed aside these objections and set about creating an international system in which a handful of industrial nations pursued their global economic interests, dominated world trade, and kept the world at peace. Woodrow Wilson, however, was more troubled by America's imperial turn.
