The resultant Summit Hill & Mauch Chunk Railroad, where mules rode special cars down as well after the coal hoppers, then returned empties up the nine mile return trip became the first U.S. railway to carry passengers in the same year of 1827. In less than two years the railway was attracting so many visitors, it began charging fares, and then added and operated special tourism excursions on ...

The poverty threshold, poverty limit or poverty line is the minimum level of income deemed adequate in a particular country. In practice, like the definition of poverty, the official or common understanding of the poverty line is significantly higher in developed countries than in developing countries. In 2008, the World Bank came out with a figure (revised largely due to inflation) of \$1.25 a ...
