Please Note: Most files have now been transferred to our new servers. Some files may still be inaccessible so please let us know via our Facebook page.

The FlightSim Store: Your Source for Flight Simulation

The training materials are PDF books (a sample can be downloaded from here). We do have interactive material as a supplement to the notes, essentially containing the same material as you would be exposed to in consolidation classes, covering the subjects that people have the most trouble with and therefore need more time to be studied.

About a year ago I did a search for "Aerodynamics for Naval Aviators PDF" and was amazed when my search turned up zero relevant results. Here is a text produced by the US Navy and referenced by several FAA training documents and completely unavailable unless you purchased a copy from a private publisher!
