My intent wasnâ€™t so much to portray the risk from SUVs as large as to introduce it as a kind of lower bound. Since few people are even aware of this particular externality and even those that are will generally concede that itâ€™s not an urgent public health issue, Iâ€™m more or less asserting that public health risks that only cause a few hundred deaths per year in a US-sized population are ...

The insane religious-fanatic Zionists who have been trying for years to start Armageddon have failed yet again in their latest attempt, this time in Syria. They now face serious repercussions, possibly starting with a revolution in France. Before we get into the details, letâ€™s remember what it is weâ€™re dealing with here. It is difficult [â€¡]

Revolution may start in France as crazy Zionists try yet
