The culture of New York City is reflected in its size and ethnic diversity. Many American cultural movements first emerged in the city. The Harlem Renaissance established the African-American renaissance in the United States. Large numbers of Italian immigrants, Italian Americans, and Jews also emigrated to New York throughout the twentieth century, significantly influencing the culture and ...

The basement rock of most of Africa was formed during the Precambrian supereon and is much older than the Atlas Mountains lying on the continent. The Atlas was formed during three subsequent phases of Earth's geology. The first tectonic deformation phase involves only the Anti-Atlas, which was formed in the Paleozoic Era (~300 million years ago) as the result of continental collisions.
